How the West Australian Housing Centre are bringing people and houses together

HOME. Choose from our extensive range of quality first home designs and elevations. You can even make design changes to suit your lifestyle.

LAND. Selection of blocks in many popular suburbs throughout the metropolitan area to choose from. There are even landscaping and fencing bonuses available in many areas to make your home more valuable.

FINANCE. Use our finance negotiation power to get fast, hassle free loans from most major lenders. Repayments can be similar to your rent, and there are government support and no-deposit loans available. For more information on finance, call 9214 1111.

HELP. We're able to provide you with expert advice that will help you understand the issues involved in owning your first home and select the options that suit you best.

For further information

3 Ord Street, West Perth, WA 6005. Telephone 9214 1111.
